

## Source Pregnancy Care Center

SOURCE NEWSLETTER – MAY 2010

Dear Friend of the Family of the Innocent

This month we celebrate our 3rd Annual Anniversary of the Source Pregnancy Care Center. Living life more abundantly should be foremost in our minds during this summer, not just in our health, finances and vacation plans, but living life abundantly more spirit filled for ourselves and our generations to come.

Source Pregnancy Care Center in Newton County, exist to provide women in crisis pregnancies with necessary support services to enable them to carry their babies to birth. Such services include, but not limited to providing assisted pregnancy tests at no charge, maternity and baby accessories, referrals for low cost legal and medical help, temporary housing and shelter, parenting education, adoption referrals, post-abortion counseling and an ongoing friendship and encouragement to everyone who enters our doors.

The Source Pregnancy Care Center is greatly needed in Newton County because of the rapid growth of our county and large number of crisis pregnancies. Because of this new growth, we are in need of more individual, business and church involvement. The support, your word of mouth advertisement, donations and any volunteer support you would like to give to become a tool that God would use to complete this vision is greatly appreciated.

Not only do we aspire to assist in crisis situations, but anyone who needs services that require information that will cause them to live life the way that God has intended, more abundantly, is given freely.

We have a new Source Director, Gywana E. Gregge. We thank her and welcome her for her commitment to the love of God and the unborn.

God Loves Us And May He Continue To Bless Us!!!

---

SCRIPTURE OF THE MONTH - Proverbs 29:18

“Where there is no vision, the people perish: but he that keepeth the law, happy is he.”

Remember that without a vision, God’s people perish in the desert of old, stopped-up wells. Your vision is His. Don’t ask Him to bless your plan. Ask Him for His plan that you might be blessed.
